Learn to be a local leader at the Citizens' Leadership Academy

The Greater Dover Chamber of Commerce and the City of Dover will host the third annual Dover Citizens' Leadership Academy in October.

The program aims to help residents better understand their community and local government, and foster civic participation as a foundation for leadership.

Participants are provided with an up-close look at local government and municipal operations, as well as the tools needed to help shape the future of the City of Dover, including how to volunteer for various boards, commissions and civic organizations.

The Citizens' Leadership Academy will span four consecutive Thursdays in the month of October, from 6:30

Dover Police, Coalition for Youth and DEA to host drug take-back event Sept. 27

On Saturday, Sept. 27, from 10 a.m. to 2 p.m., the Dover Police Department, Dover Coalition for Youth and the Drug Enforcement Administration (DEA) will give the public another opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs.

Medications can be brought for disposal to the Dover Police Department at 46 Locust St. The service is free, anonymous, and no questions will be asked.

"Over half of teens report that prescription drugs are easy or very easy to get," according to Vicki Hebert,Dover Coalition for Youth coordinator. "Seventy percent of teens who abuse prescription drugs obtained the medications from family and friends, including from the home medicine cabinet. We are holding this event to allow community members to dispose of their medications and remove the source of temptation from their home."

The National Prescription Drug Take-Back Day initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Surveys show that one in five New Hampshire high school students have used a prescription drug that was not prescribed to them.

This is the seventh year Dover has participated in the national take-back initiative. More than 1,000 pounds of drugs have been collected in Dover during those seven years.

"The community has let us know that they are looking for safe ways to dispose of their unused medications by consistently coming out on take back days and turning in of hundreds of pounds of drugs each year," said Dover Police Chief Anthony Colarusso.

Americans are now advised that their usual methods for disposing of unused medicines - flushing them down the toilet or throwing them in the trash - both pose potential safety and health hazards. The DEA states that unused prescription drugs thrown in the trash can be retrieved and abused or illegally sold. Unused drugs that are flushed contaminate the water supply.

If you are unable to attend a collection event during National Prescription Drug Take-Back Day, visit the Food and Drug Administration website at www.FDA.gov to learn about other recommended disposal methods.

For more information about the event, visit the DEA website at www.DEA.gov. To learn more about the local problem and how to get involved, contact the Dover Coalition for Youth at 603-516-3279 or online at www.DoverCoalition.org.

Sept. 19, 1781 - At a town meeting held for raising soldiers, it was voted "that nine men now to be raised for three months be given ten silver dollars each as bounty and paid fourteen bushels of merchantable Indian corn per month by the town in Jan. 1782."

Sept. 21, 1842 - Died, Hon. Jeremiah Smith, aged 83, formerly of Exeter, but for the last years of his life a resident of Dover. He was a representative in Congress during Washington's administration, for many years a Judge of the United States and State Courts, and Governor of the State. Few citizens were more widely known as a Statesman and Jurist, and none ever left behind them a more enduring reputation.

Sept. 23, 1921 - The H.E. Meader greenhouses on Back River Road boast over 1,100 rows of gladiolas, comprising over a half-million bulbs in 250 varieties. The greenhouses sold over 100,000 bulbs the previous year.

Sept. 24, 1983 - "Cathy Schiro, a 16-year-old from Dover, N.H., surprised veteran distance runners yesterday when she led for nearly the entire race and won the Avon Half Marathon at Central Park. Her time for the 13.1-mile event was 1 hour 13 minutes 19 seconds, a United States junior women's record for the half marathon and more than 2 minutes faster than that of second-place Isabelle Carmichael." (New York Times)

September, 1841 - The Boston and Maine Railroad starts service in Dover, opening a direct route to the international port of Boston, and reducing the time it would take goods to travel by gundalow or ship.

Dover Fire, Police departments help promote ReadyNH

The Dover Police and Fire departments are featured in a television and web spot for ReadyNH, a new resource intended to increase the preparedness of individuals and households in the State of New Hampshire. The initiative was launched by the New Hampshire Department of Safety Division of Homeland Security and Emergency Management.

The new website contains information and resources about staying safe before disaster strikes. The campaign says the real superheros are those who are prepared.

The TV and web spot was filmed earlier this year at several locations, including at Willand Pond in Dover.

The spot can be viewed <u>here</u>.

Volunteers sought for downtown Dover TIF advisory board

The Dover City Council is now seeking volunteers for the recently formed Downtown Dover TIF Advisory Board. The board is tasked with advising the City Council and City staff on recommended policies and actions for the administration and operation of the Downtown Dover TIF District.

A feasibility study initiated by the City Council in 2013 identified a TIF district as a viable method to help fund and stimulate economic development in downtown Dover. The feasibility study was followed by an extensive effort to seek consensus from property owners and residents, which resulted in the City Council establishing the Downtown Dover TIF District in March 2014.

The advisory board is expected to meet quarterly, or at the request of the mayor or city manager, and will review the policies, procedures, construction and administration required to operate a successful TIF district in downtown Dover, and will advise elected and appointed City officials. The City Council is currently looking to fill four citizen positions: two property owners within the established TIF district and two citizens who do not own property within or adjacent to the TIF district.

The Downtown Dover TIF District consists of property north of St. Thomas Street and Williams Street; south of Sixth Street; west of Chestnut Street, and Cocheco and River streets; and east of Main Street. Individuals interested in volunteering for the advisory board are encouraged to view the Downtown Dover TIF District map located on the City's official website via the "Planning and Community Development" page.

Interested individuals are encouraged to submit an application for City Council consideration. Applications can be picked and submitted in person at the City Clerk's office located in City Hall, or online by visiting the "Boards and Commissions" section of the City's official website.

For more information about the Downtown Dover TIF District, contact the Dover Planning Department at 603-516-6008 or email c.parker@dover.nh.gov.

City's boards and commissions keep our community vibrant

The City of Dover is a vibrant community due in large part to the energy and talent of citizen participation on boards and commissions.

The City's boards and commissions encourage public participation, including new members to fill vacant positions.

For a complete list of the City's boards and commissions, as well as more information about how to apply for boards and commissions, click **here**.

To download an application for board and commissions, click **here**. Completed forms should be returned to the City Clerk's Office. Committee application forms are kept on file for one year from date of submission.

For more information, contact the City Clerk's office at 516-6018.
